ADMINISTRATION

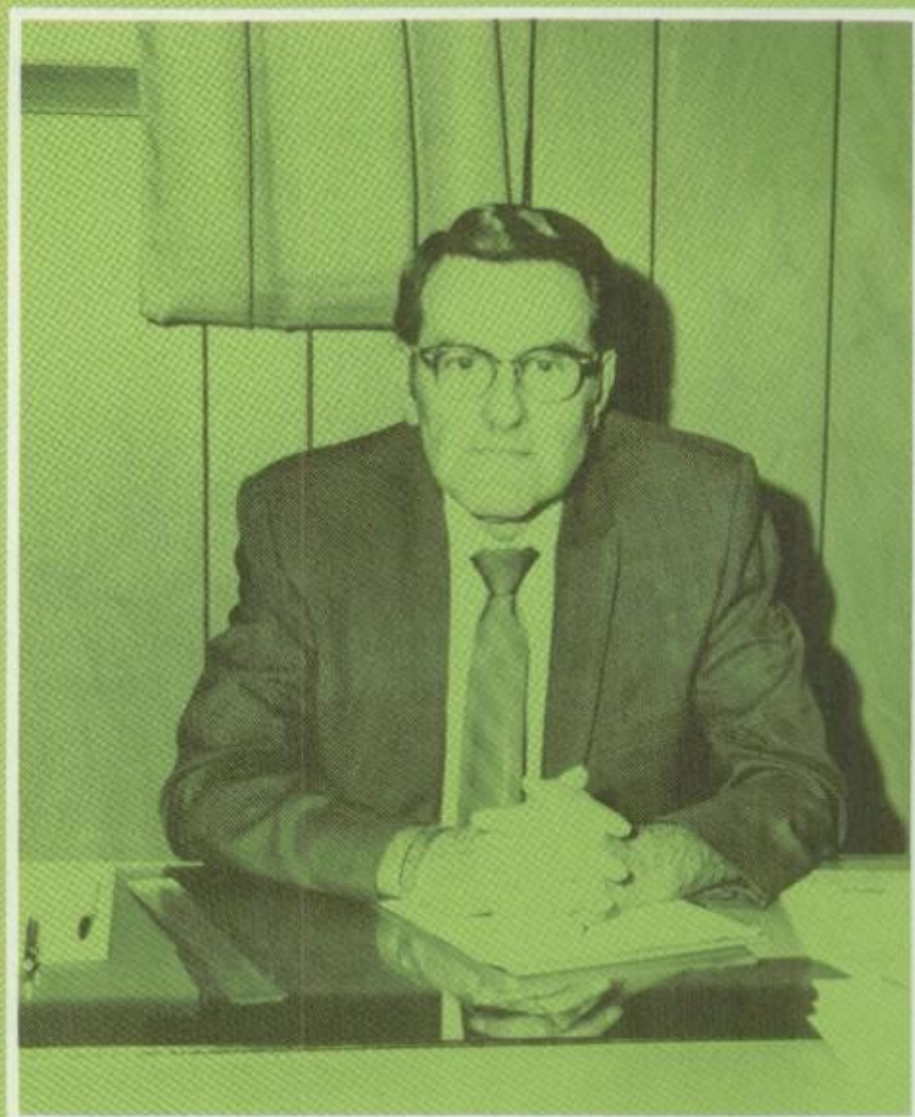

Their job; Supervision of Activities

The superintendent, principal, and school board supervise the activities of students and teachers at Wichita County High School.

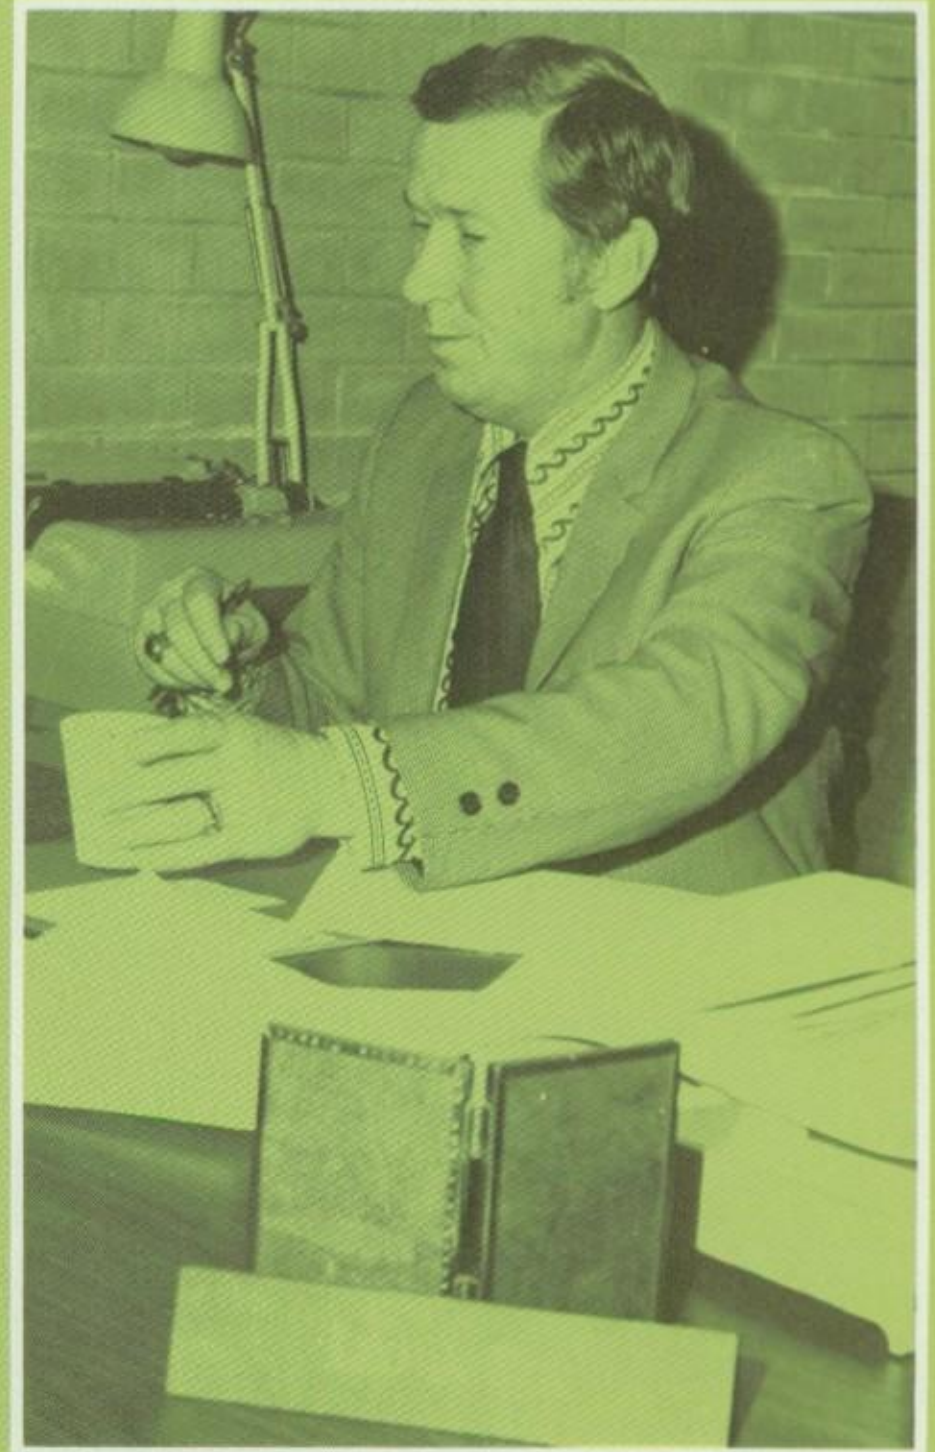

It is their job to see that all funds are spent appropriately and to establish policies to govern student, teacher, and district personnel behavior.

Occasionally they are plagued by problems dealing with dress code and snow-day makeup.

Mr. Leo Eck, principal at WCHS completed his 8th year, before he resigned to become principal at Ulysses. Mr. Eck expressed his feelings by stating the following, "Without question there will be mixed emotions when our schools meet in activities. However, my loyalty to the "Tigers" will be unquestionable and I'm sure you will understand this."

W.W. TEMPLER, Superintendent

"A cup of coffee helps me relax after a rough day."

"I need my coffee even while on the job."

PRINCIPAL LEO J. ECK

DISTRICT PERSONNEL: Mrs. Jacque Townsend, district secretary; Mrs. Jeanene French, secretary to the superintendent of schools; and Mrs. Kathy Lane, school nurse of district 467.

LANGUAGE ARTS

Mini Units Make the Scene

Nearly thirty-five mini units in the language arts program have been offered to the students on a nine week and semester basis at WCHS for the first time this year.

Such exotic courses as techniques of journalistic radio and television, stagecraft, mythology, and photo-journalism tempted students away from the more mundane titles involving terms like grammar and literature.

First evaluation reports show the courses to be more attractive to the student.

c

SCIENCE

Science Is Intriguing But Complex

Biology I students learn the basics of microscopes and dissecting, and they also learn from Mr. Dye's lectures. Biology II students advance to planning and performing their own experiments. In addition they learn how to write formal lab writeups on their results.

In Chemistry, students do experiments with chemicals and hope they turn out the way they should. They also listen to lectures by Mr. Holmes, confused by the mass of technical terms.

Physics students do a varied number of experiments while trying to learn more about the physical laws that govern the universe.

b. I wonder what's supposed to happen?

c. This stuff sure stinks!

b

HOME EC.

Home Is Where the Training Is!

Home economics involves over one-hundred girls at WCHS who are preparing for not only their role as a housewife, but for careers in other fields such as modeling, interior decorating, and design.

Several guest teachers helped Mrs. Grace Hamilton with special aspects of home ec. Mrs. Judy Woods advised the girls on the proper use of cosmetics, Mrs. Lane showed girls how to bath a baby, and the Bill Barr family showed the girls how to prepare "calf fries."

The year ended with the resignation of Mrs. Hamilton and the announcement that Mrs. Sharon Perry would be the new home ec teacher.

PHYSICAL EDUCATION AND DRIVERS EDUCATION

New Areas Are Explored In Gym And On Highway

Summer classes with schedules beginning at 7:00 a.m. and concluding at 6:00 p.m. are a part of many freshmen student's lives. Because of the size of the driver's ed class, over half of the students are enrolled in bookwork and the practical aspects of driving in the summer. Often the teacher feels that his very existence is threatened.

A new coach--Mr. Mark Fahringer--has set up a strict schedule of achievements for students on a monthly basis. It seemed strange to see students walking the length of the gym on their hands, doing flips, and other tricky maneuvers.

c

a. "I made it okay, so now it's your turn to try it."

b. "Oh no, he came apart!"

c. "That was a hair raising flip!"

b

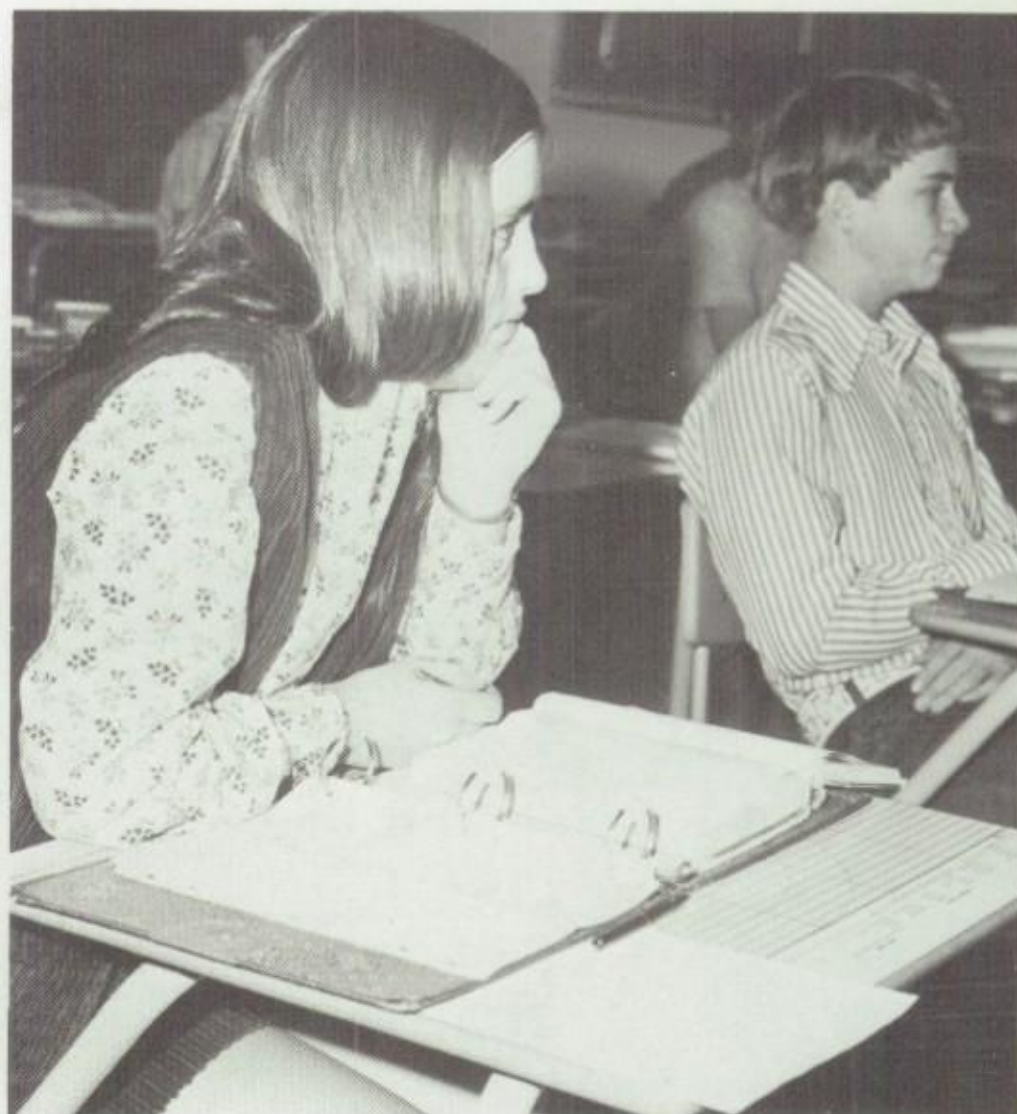

MATHEMATICS

Problems, Equations, Solutions: That's What Math Is All About!

Math is something that is used all the time in everyday life; however, many of the things that are learned in higher mathematics can't be applied to everyday life.

Mr. LeRoy Dutton carries the main load of the math department-teaching geometry, Algebra II, and senior math. Mr. Warren Townsend is the instructor for the Algebra I classes and Mr. Burton Holmes teaches the general math classes.

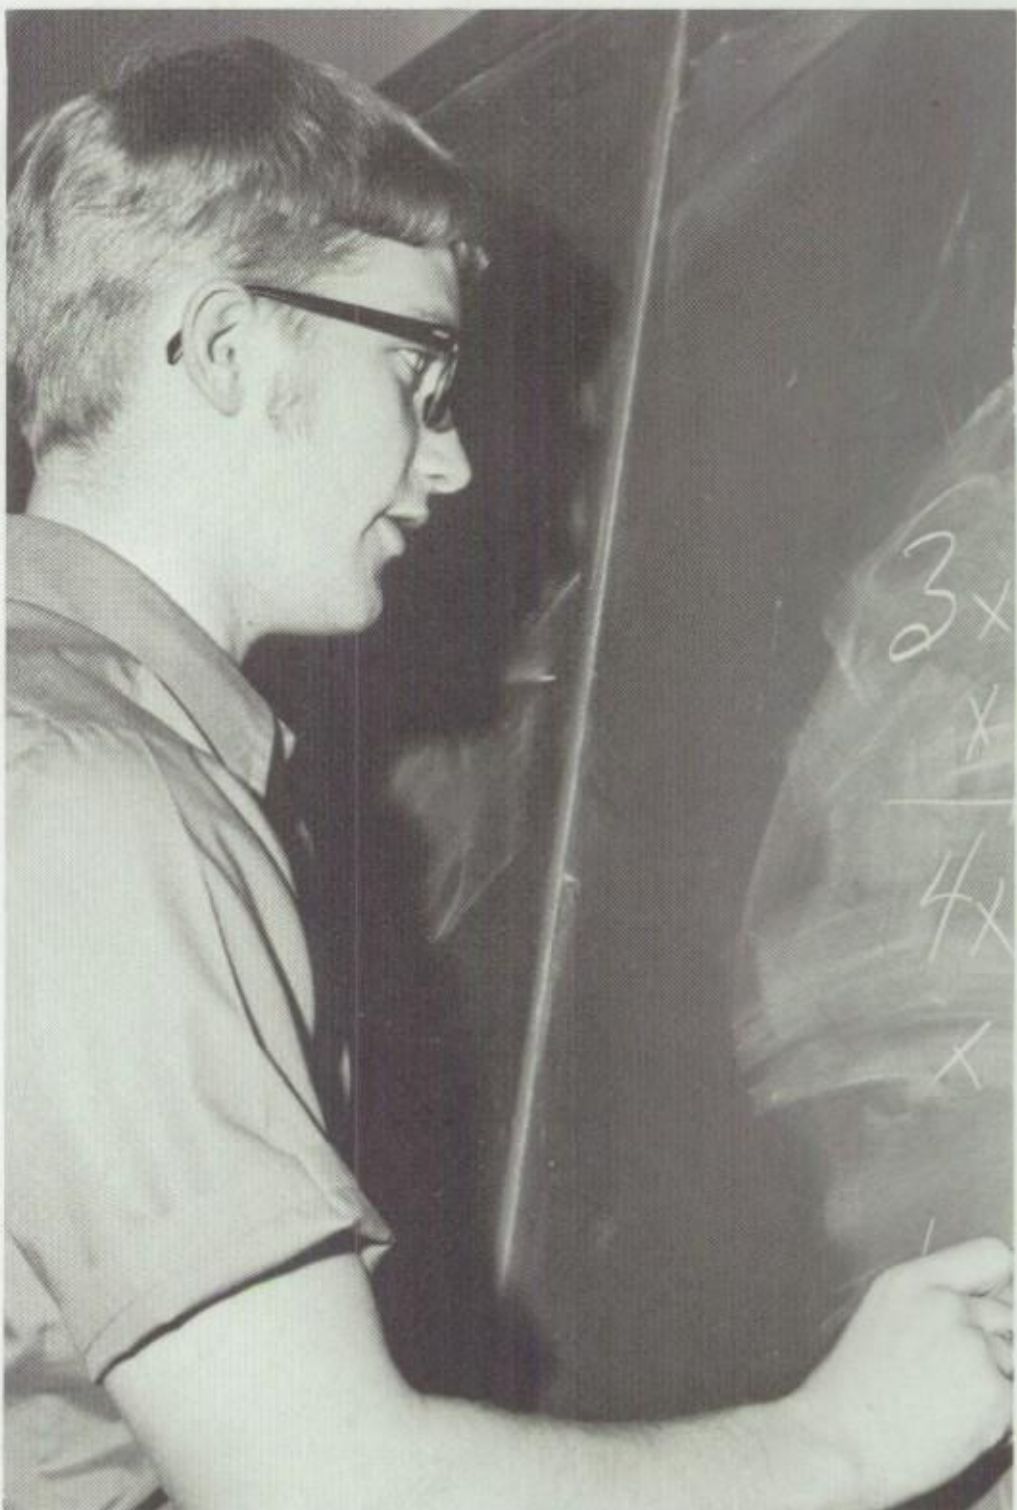

General math students work with the basics of mathematics. Algebra I students learn to find "x"--the unknown--while working with equations. Students in Algebra II advance to higher equations with more terms. In geometry, students solve for missing parts of triangles, prove theorems, and work with geometric shapes. Senior math students advance into trigonometry and other phases of higher mathematics.

- b. "Hey, that isn't going to work!"
- c. "I always find math is so confusing on Mondays!"

SOCIAL SCIENCE

Social Science Classes Concerned with Humanizing the Individual

The social science classes at WCHS are concerned with making the individual into a whole human being able to get along with the people with whom he associates.

The family living class is concerned with preserving the family unit. Sociology and psychology classes deal with the individual's behavior as acted upon by his environment and by the people around him. In addition to these classes, Constitution class, World history, and American history classes give the individual an appreciation of the nation and the world.

MANIPULATIVE ARTS

New Mini Courses Inspire Interest

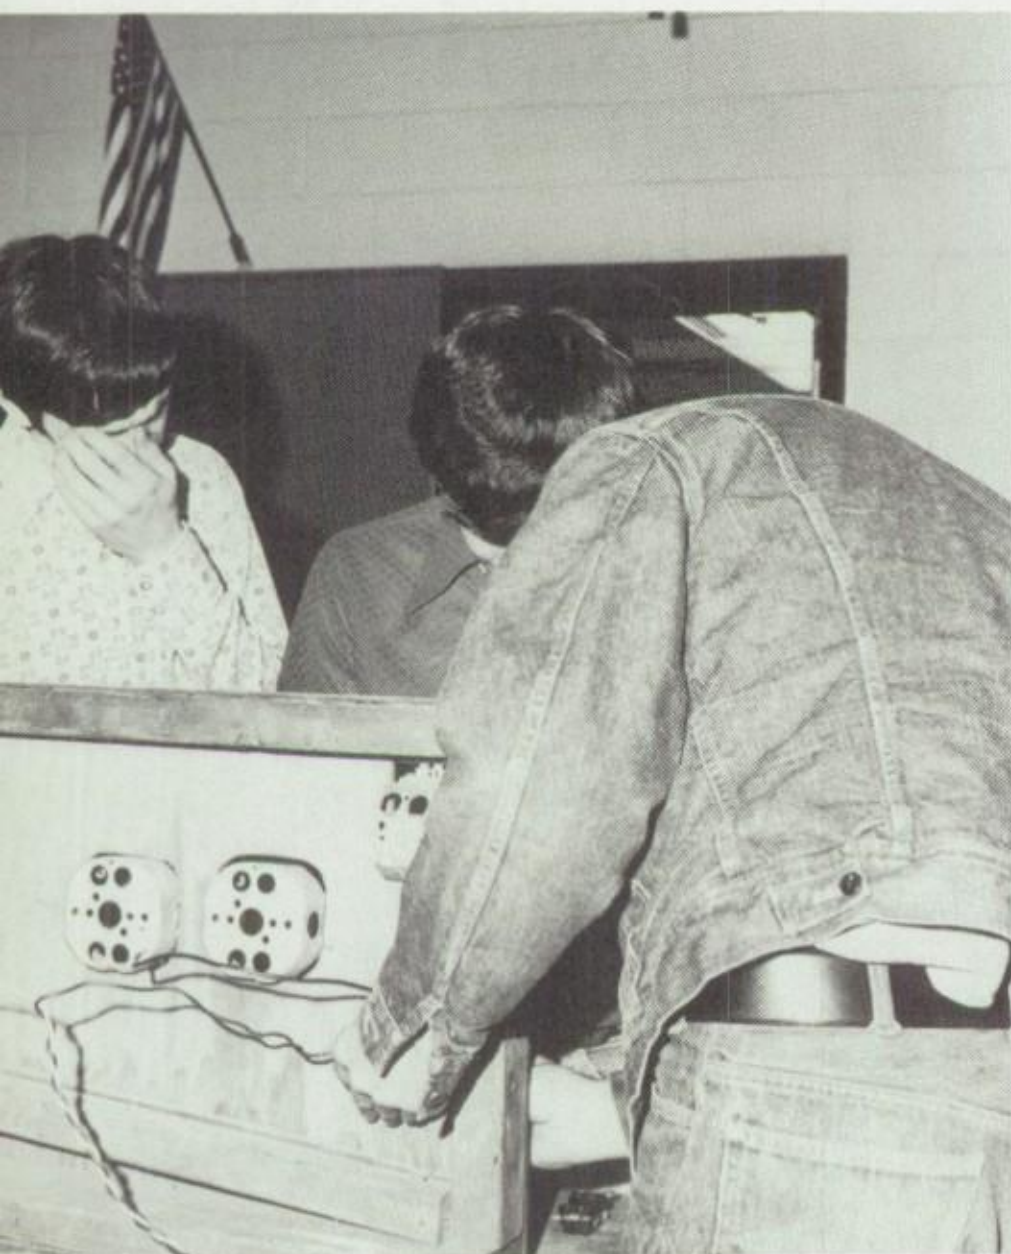

Industrial arts classes and vocational ag classes took on a new look this year as nine week short courses were added.

In industrial arts, classes were offered in woodworking, electricity, and upholstery.

Vocational ag courses offered were small engine, welding, automotive engines and crops.

COMMERCE

Business Depends On Its Secretarial Work

The Commerce Department at Wichita County High School yearly turns out a number of young ladies destined to be secretaries. In addition many students gain the knowledge of typing so necessary to completing a career in high school and college.

Most students take Typing I and Typing II.

Students really serious about a career will take shorthand and office practice. The office prac-

FINE ARTS

Students Express Inner Feelings Through Fine Arts

Fine arts, including vocal music, band, and art, gives students at WCHS an opportunity to communicate their inner feelings in forms other than words.

In art classes, students may create pictures in paint, charcoal, acrylic, and pencil. They may make jewelery, vases, and sculptures to further show their individuality.

Music through band and vocal music is another outlet for student energies. During the year the band takes part in at least one band day, presented half time performances at basketball and football games, and takes part in various programs. In vocal music, students may display their individual talents in solos, take part in music appreciation classes, or add their individual talents to music programs. Both band and vocal students know the rewards that come from winning medals at State Music Festival.

MEDIA CENTER

Media Center Continues To Make Progress:

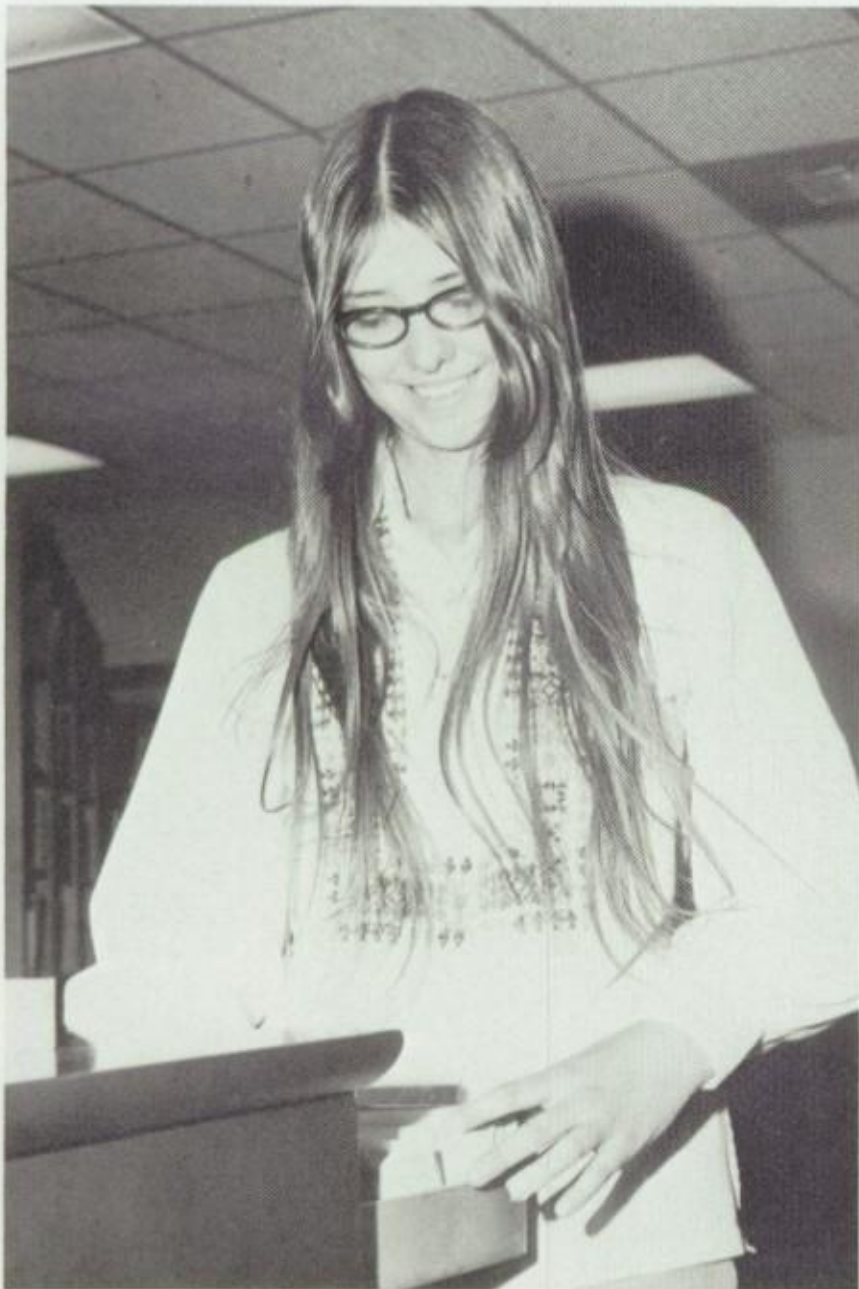

Students at WCHS always knew Mrs. Lucille Templer ran a good library, but this year it was proven. A \$13,000 grant was presented to the Media Center to be used for library materials. A Demonstration Library grant was presented by the ESEA-Title II.

Mrs. Templer taught a library science class for the first time this year. Ten students were enrolled in this class. They were taught how to file and catalogue books, tapes, and other library materials.

Media Center handles books, magazines, tapes, micro-film, records, filmstrips, and other audio-visual materials.

SENIORS

Seniors Are Looking Forward To Graduation

Seniors chose light blue and dark blue as their colors this year and blue roses for their flowers. Their motto is "Life isn't a problem to be solved, it's a mystery to be lived." A little different touch, they added this year, was choosing light blue robes and caps for the girls.

As in the past seniors were given "senior privileges" during their study hall. They also had the excitement of getting senior pictures taken and traded with classmates.

Seniors also spent their money on such essentials as announcements, senior keys, memory books, and personalized cards. For awhile memory books could be seen floating among the seniors, and personalized cards were being traded.

a One of the favorite pastimes of seniors.

FRESHMEN

Freshmen Scorned By Seniors

"They are inconsiderate, rude, rowdy, and sadly lacking in manners," To quote one senior.

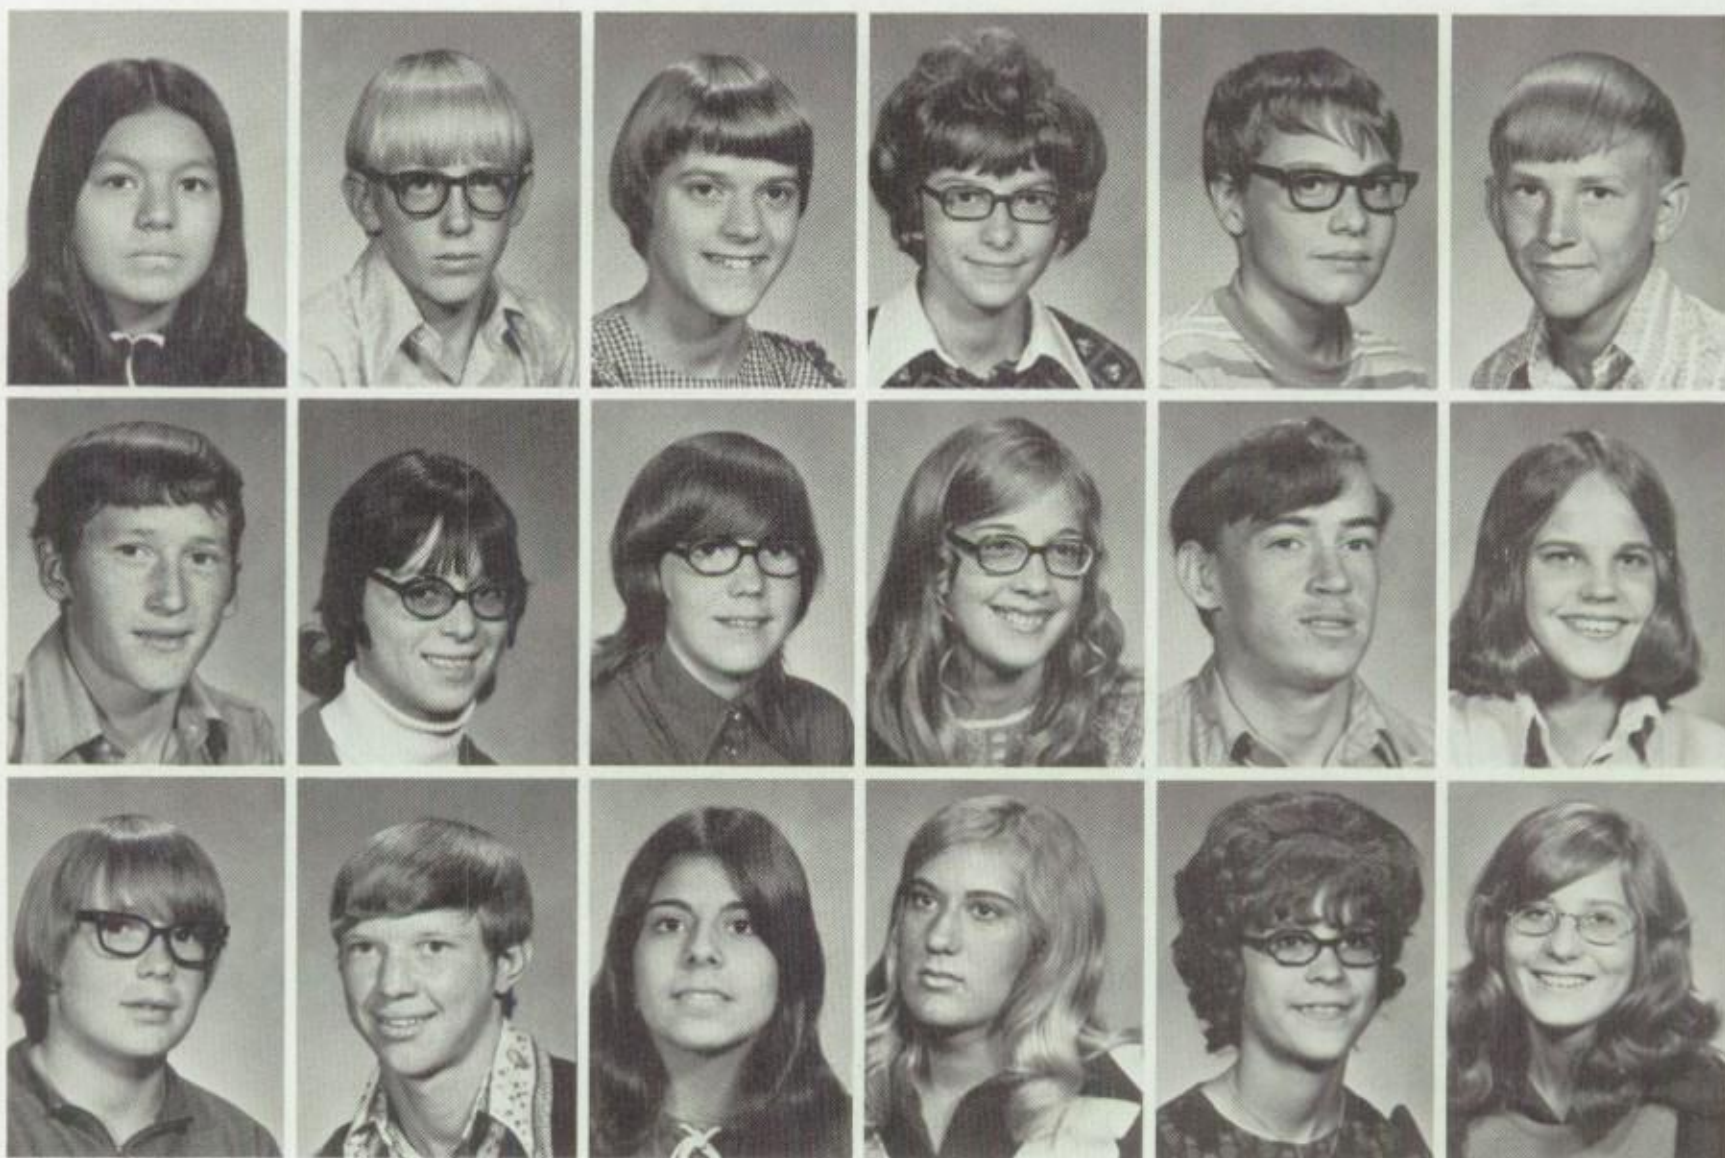

"They need the firm and willing hands of the senior class to guide them in the right direction," stated another senior.

In spite of the senior direction and training, most of the freshmen have settled into the peaceful and sometimes dull routine of school life.

After being welcomed with a freshmen orientation party, several freshmen have excelled in sports, in the academic world, and in the world of music.

SOPHOMORES

Are Sophomores Really Sophisticates?

Saucy, sassy, and sometimes sophisticated seems to fit the sophomore class.

Pulling fire alarms and blaming the freshmen is one sample of their more discreet adventures.

One sophomore described members of her class as "super," while an upperclassman called them stubborn. This might simply reflect the super quality of determination reflected by the way they attack the tasks facing them, from term papers to the problems of Biology I.

Will The Real Juniors
Please Stand Up!

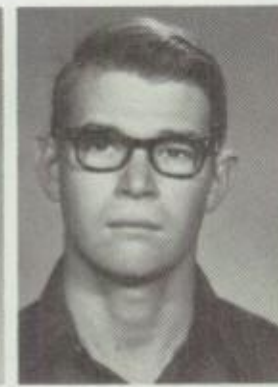

Honest, trustworthy, industrious, diligent, intelligent, handsome or beautiful (according to gender), modest, and sometimes a trifle untruthful are all words that the juniors use to describe themselves.

The juniors true character lies somewhere between that of the angelic and the devilish.

The juniors boast that their prom was the greatest, their athletes the best, and their acting ability beyond compare. Several proved their acting ability in the various dramatic competitions this year.

WCHS BAND

Band Marches At Air Force Academy

Putting aside soggy sneakers from practicing in the morning damps and dews, the Wichita County High School Marching Band traveled to Colorado Springs last fall for the Air Force Academy Band Day. Fifty-two bands took part in the half-time activities.

The band took part in the annual Bean Day festivities early in the year. At Christmas time, they presented half of the annual Christmas program and concert.

The band failed to attend the WKEA band clinic when a winter snow storm forced cancellation of this event.

Probably one of the high points of the year was the band's performance at the State Music Festival in April. The festival was held at WCHS.

VOCAL MUSIC

"Camelot" Taxes Abilities of Music Students

Combining music with acting abilities challenged vocal music students under the direction of Mr. H. H. (Hank) Stockebrand, this year.

Last year the combined efforts of the vocal music and drama departments produced "Brigadoon;" this year, they mastered the musical "Camelot."

Following this outstanding effort, Mr. Stockebrand's students presented the vocal music section of the Christmas program, practiced for and attended Vocal Music Clinic at Scott City, and entered competition at the State Music Festival.

MUSICAL — CAMELOT

CAMELOT Scores a Hit

This year the music department combined with the drama department to present the musical, CAMELOT.

CAMELOT was a splendid combination of music, lighting, stage craft, and acting by students from Wichita County High School. The setting was centered in the Court of King Arthur. The action focused on the love of Sir Lancelot for Guenevere.

"Take her She's Mine" Is
Too True

Many parents with daughters in college found the comedy "Take Her She's Mine" a parallel to experiences of daughters in college.

The play portrayed the growing up of parents and daughters as they both experience the trials of the first year of college.

CHIEFTAIN

Journalism Pursues Practical Aspects of Writing

Two classes of Journalism I learned the basics of news-writing, then applied their knowledge to preparing and producing a weekly mimeographed paper.

During the second semester, Journalism II carried on the work of publishing a paper.

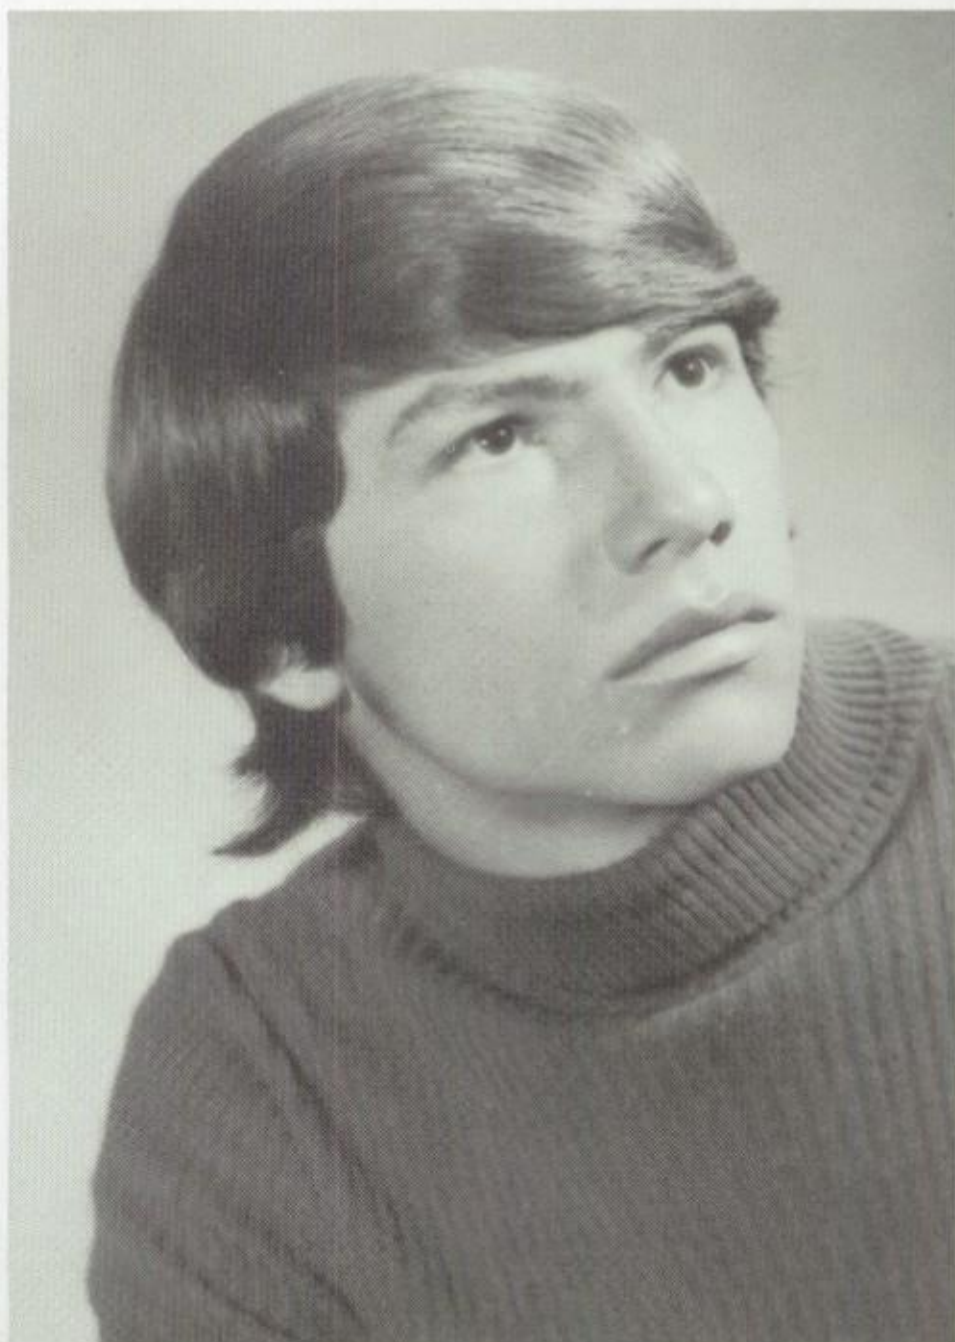

The Chieftain was sent by mailout to 225 individuals outside the school.

Being a spokesman and sounding board in the school is not always an easy and comfortable job as many staff members learned.

JOURNALISM II: BACK ROW-- Rosario Hernandez, Barbie Josephson, Rita Mills, Shirley Algiene, Larry Bishop, Dennis Fischer.

a I thought putting the paper together would be fun, but now I'm not so sure.

WARRIOR KING AND QUEEN 1973

GARY AND TARYN NAMED WARRIOR ROYALTY

Gary Campas and Taryn Gerstberger were chosen 1973 WARRIOR King and Queen by Governor Robert Docking.

Governor Docking makes his selection solely upon the basis of appearance. Senior pictures are sent to the governor each year for his choice. The governor said, "I greatly appreciate this honor..."

No personal award of benefit is gained from the honor of yearbook King and Queen other than the distinction of reigning as 1972 WARRIOR King and Queen.

WARRIOR: Rosalyn Siemens, Marvel Miller, Karla Kiefer, Dallas Kleyman, Dedra Miller, Elvia Alvizo, Ric Beedy, Bria Carroll, Bernie Maestas.

WARRIOR

Yearbook Is A "Hassel!"

To hear the editors and the advisers talking, one would think the WARRIOR is a "hassel".

First, there is the advertising to be sold. Advance sales of WARRIORS follow to insure that there will be enough money to pay for its production.

Staff members feel the pressure of production deadlines when pages of copy and pictures must be sent off to the publishers.

Lost pictures and unwilling subjects are another problem of the staff members and editors. Is it any wonder that staff members mature, editors age, and advisers become bald.

- a. I may not sell many WARRIORS, but I sure know how to have fun.
- b. This could get to be a problem.

BOYS STATE — GIRLS STATE OUTSTANDING INDIANS

Citizenship Important To Pride

Pride in school builds pride in self. Proud school citizens are good representatives of their school!

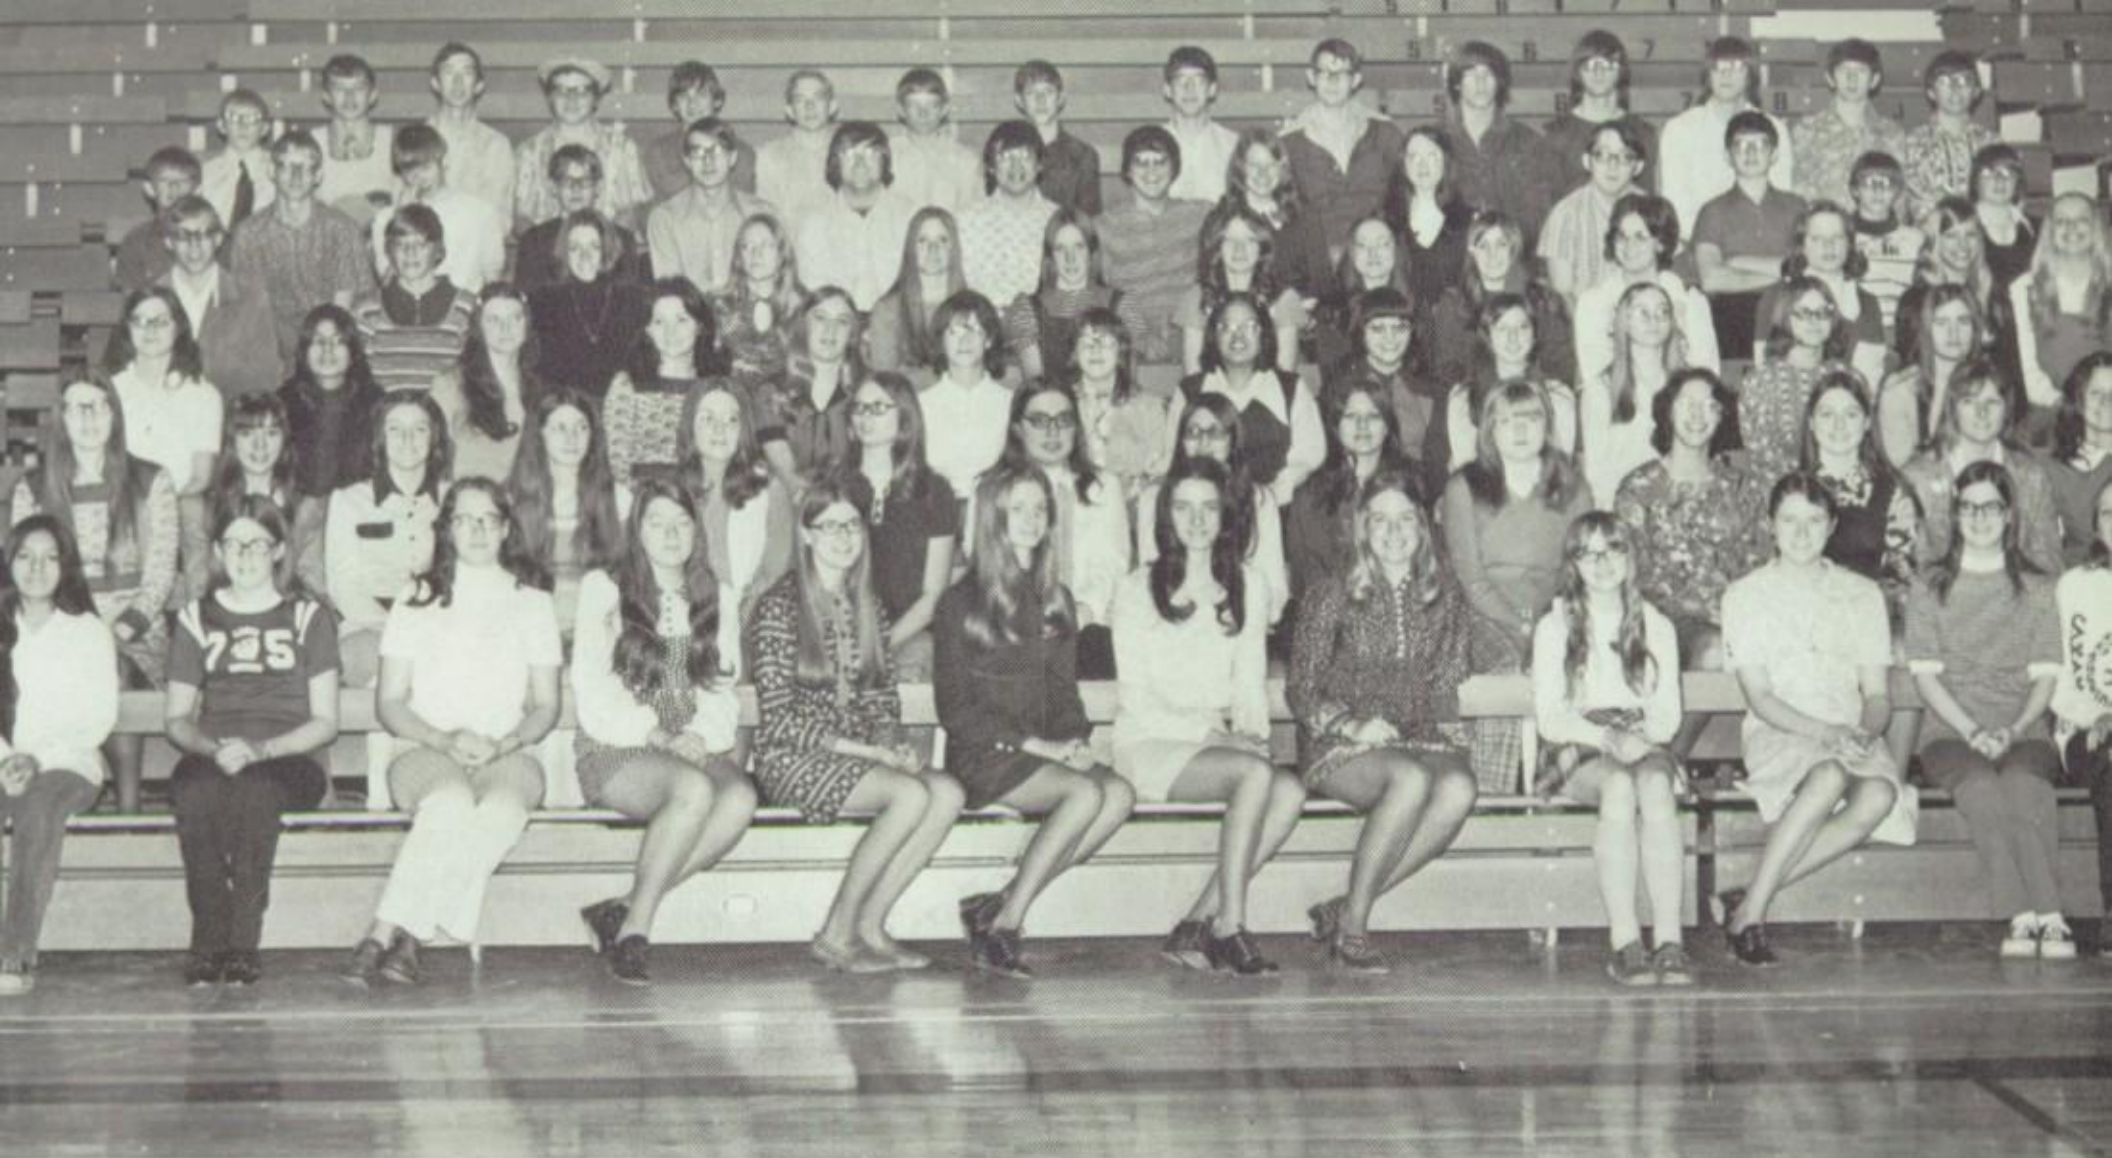

Boys and Girls State candidates and the Outstanding Indian Award winners are the best ambassadors their school can offer.

To qualify for these positions, the individuals chosen must have qualities of leadership and good citizenship.

The WCHS representatives to Boys State was sponsored by the American Legion, the Rotary Club, and the Leoti Lions. The candidate to Girls State was sponsored by the First State Bank of Leoti.

GIRLS STATE CANDIDATES: Susan Zimbelman, and Barbie Josephson (alternate).

SCHOLARSHIP Indians Tops In League

The Indians from WCHS showed their scholastic ability as they registered eleven first place awards, sixteen second place awards, and eleven third place awards in WKEA scholarship tests.

In state competition for class 2A schools, the Indians gained four seconds and two thirds.

SPEECH

Speech Contestants Rate High

Speech contestants at Wichita County High School worked hard this year and scored well at the League, District and Regional meets.

During the WKEA Speech Festival February 19, speech contestants from WCHS scored seven I's, three II's, and two III's.

Later on March 24, at District, the Indians scored nine I's, six II's, and one III rating.

The speech season was topped off with the State Festival with the WCHS Indians scoring five I's, and five II's. Mr. Keith Confer, speech teacher at WCHS, said that it was a good year for him, and he hoped his students enjoyed it.

STUCO Seeks Support

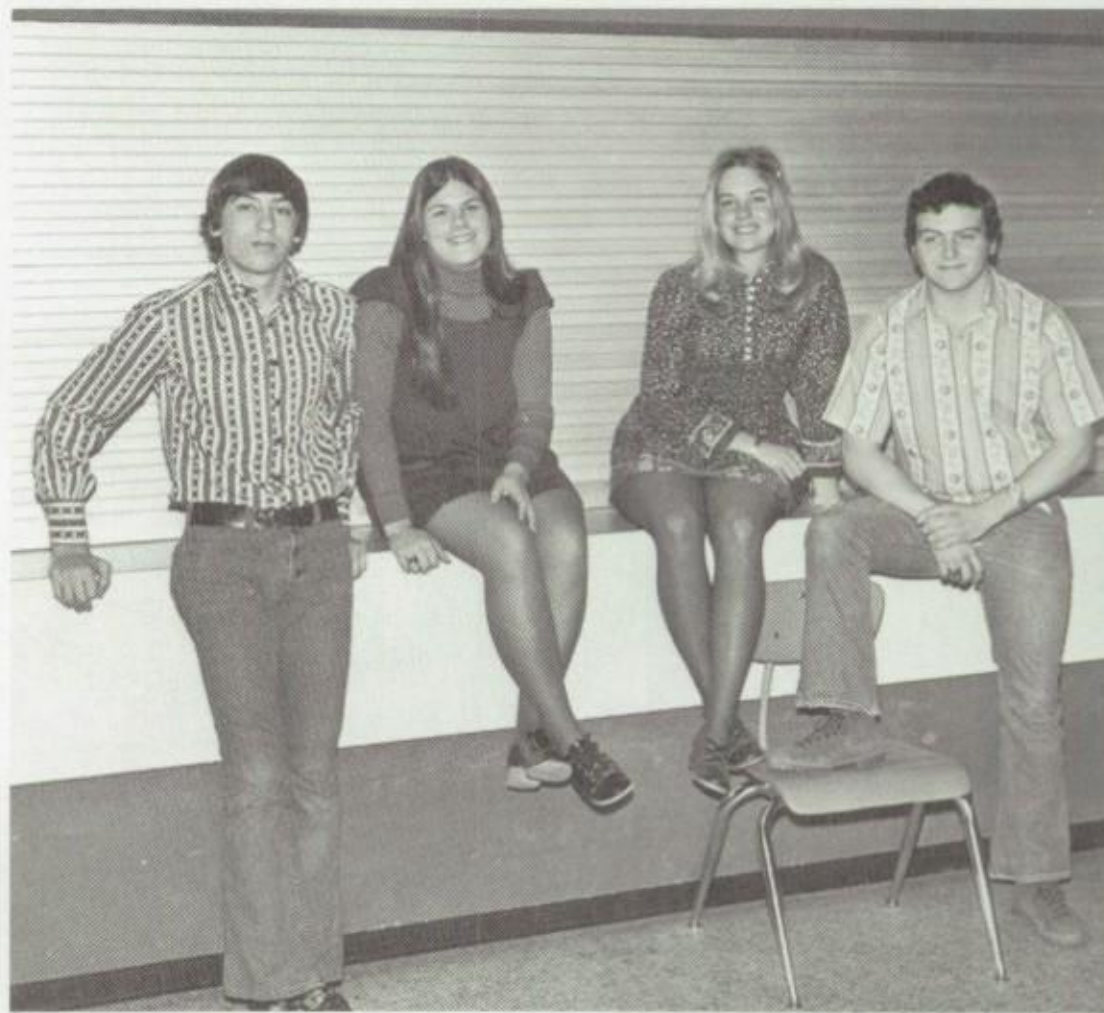

Student Council needs the support of the entire school body to be successful in their varied undertakings.

One STUCO caper was unsuccessful when unauthorized study body members were seeking to see a change in the dress code, and entered into a school board meeting.

STUCO sponsored both the football crowning and the Winter Sports crowning.

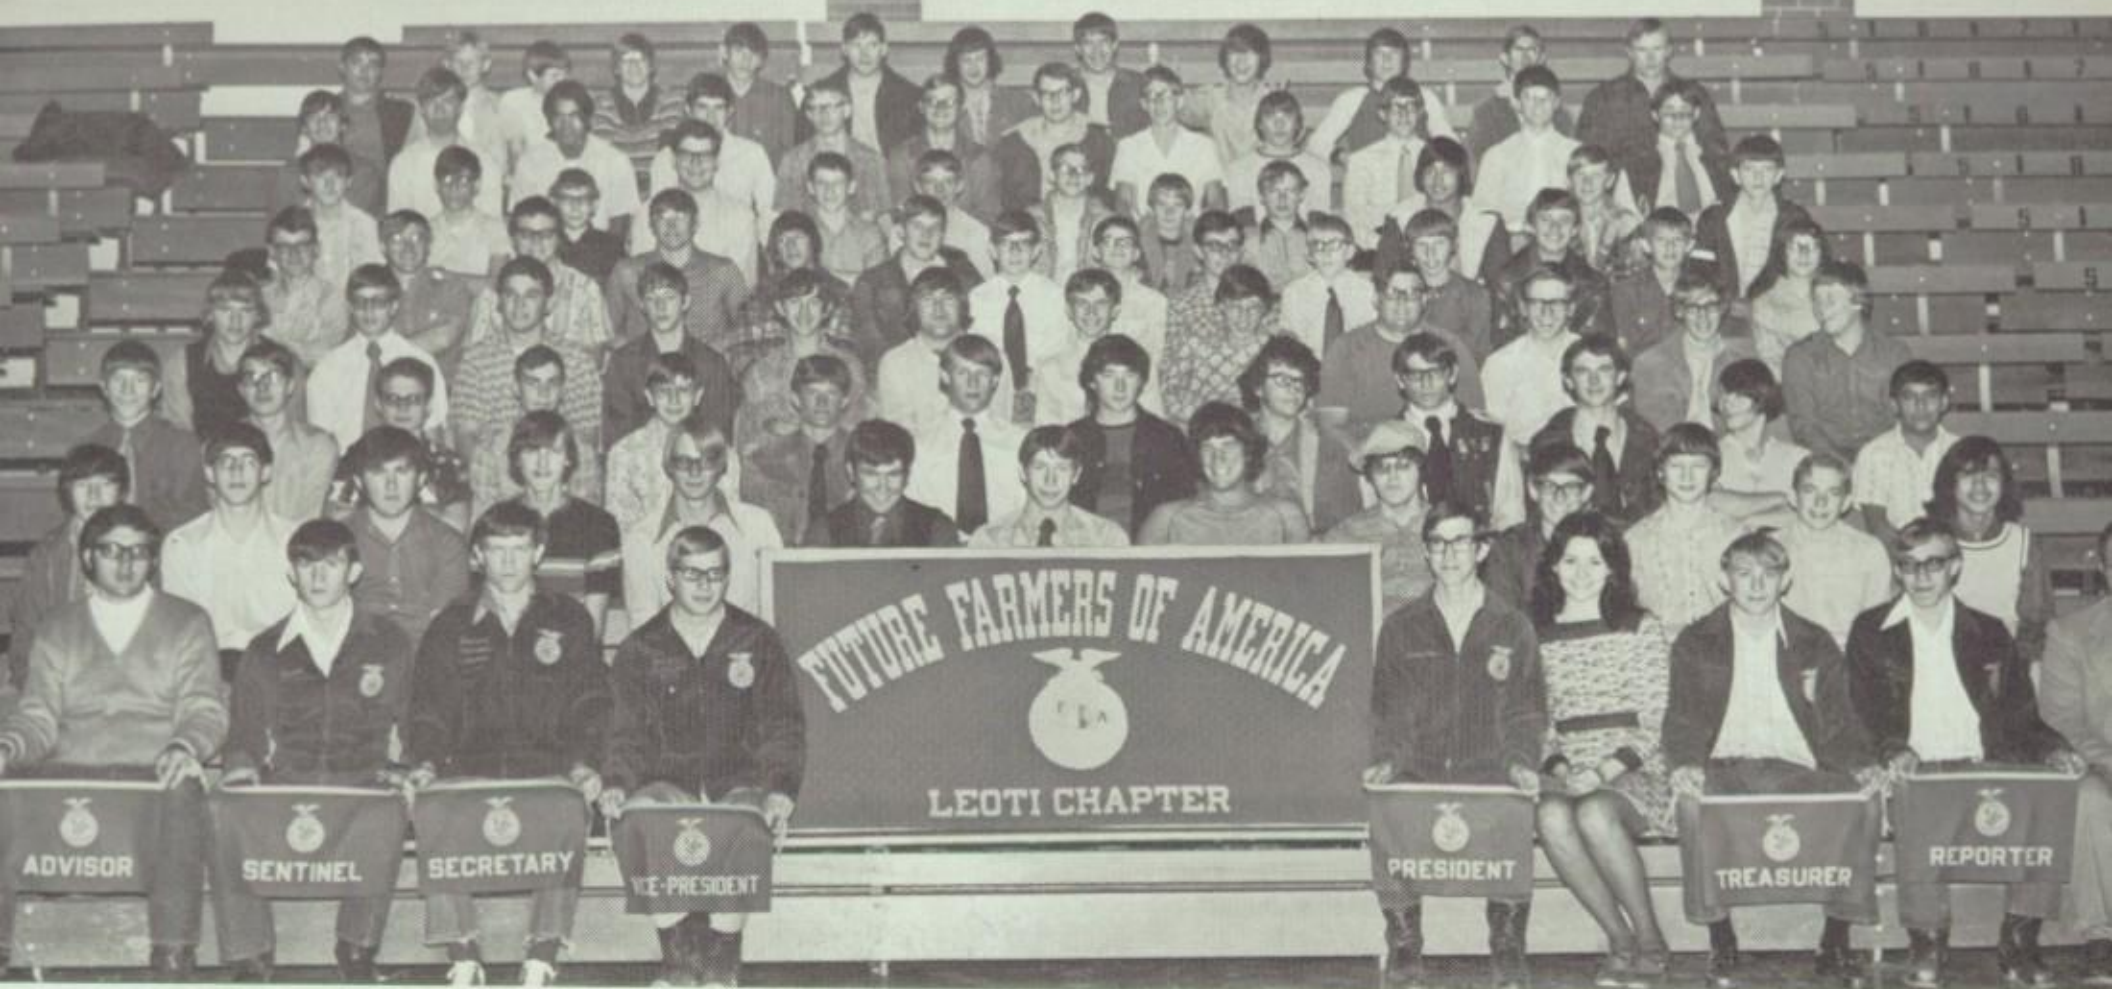

The STUCO also conducted a lesson in democracy as it held a convention to nominate new STUCO members and a primary election to limit the number of candidates to two for each post in the regular election.

To close the year, STUCO members and guests held a picnic at the Scott State Park.

FFA

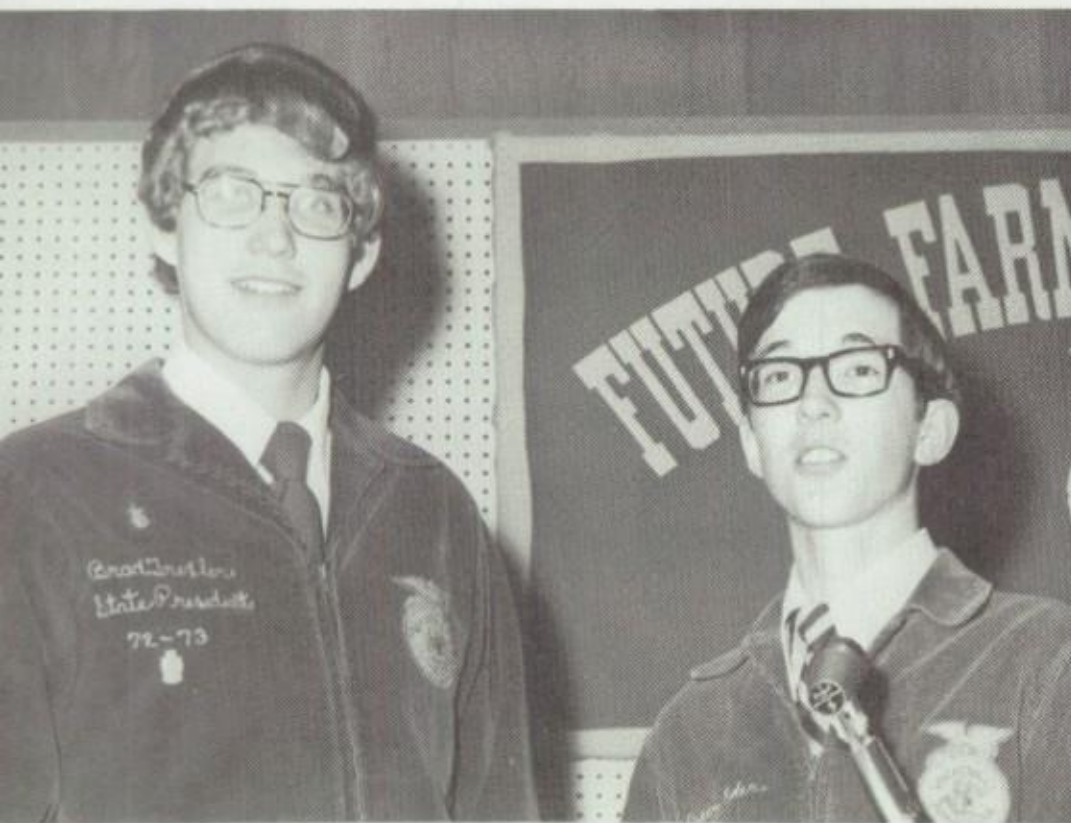

FFA Members Dedicated Young Men

FFA is a group of dedicated young men, who seek to develop pride in farming and life on the farm.

During the year, they enter a Wichita County booth in competition with other counties' booths at the State Fair. They take part in numerous judging activities and schools at the district and state level. The high point of the year for all FFA members is their banquet. This year Brad Texler, state president, delivered an inspiring message for FFA members, parents, school board members, and guests at the banquet.

Jeff Eder, president, has been chosen as a State Farmer--an outstanding award.

ART CLUB

The Club Is For Creative People

Students enrolled in Art II or III are eligible for Art Club. There are no dues, but the members must work if they expect to go on the club sponsored trips. The work projects this included painting windows at christmas time and working in concessions at the junior high during the Grade School Music Festival and at the high school during the District Speech Festival. The money was used to help pay the expenses of the trip to Taos during spring vacation. In Taos the students looked at the art galleries and spent one day in the mountains skiing.

Several Art Students displayed work in the Scholastic Art Awards program conducted by Scholastic Magazine at Wichita. These students also made a trip to view the showing of their works. Bonnie Buell, David Mai, and Debby Titus were among hundreds of students in Kansas to win a certificate of merit at the show.

Those students having work displayed in the League Art Show made the trip to Kinsley to see it. While there they saw slides from the Wichita Art Museum.

Those receiving awards in the league show are as follows: Su Townsend--1st., Mixed Media, Trish Apple--1st., Silver, Bonnie Buell--1st., Pen and Ink, Kim Sigle--1st., Charcoal, Mike Lane--1st., Woodcut, David Mai--1st., Non Objective Sculpture, 3rd., Commerical, Bill Ford--2nd., Non Objective Acrylic and Gail Evans--2nd., Silver.

KAYETTES Work To Help The Worthy

KAYETTE members had a very active year. Crystal Carousel and Twirp Week were two of several events sponsored by the KAYETTES this year. David Mai and Candace Snowbarger, seniors at WCHS, were crowned King and Queen of the Crystal Carousel in late December. The runners-up were Bobby Wilbur and Michele Wieser.

Twirp Week, held in the spring, was a success as upper classmen were dressed in the attire of the 20's and 50's. The freshmen were dressed as babies, and the sophomores as cowboys. Other events sponsored by the KAYETTES were booths downtown, and a powderpuff football game held on Bean Day.

In addition, KAYETTES held several drives to raise funds for worthy organizations.

Future Teachers Plan Many Activities

This year the Future Teachers planned many activities and successfully completed several.

Projects included an "Open House," sale of ice cream and cake at Bean Day, sale of loyalty pennants, a Christmas Party, a party for Mr. Homan's birthday, and a field trip to Colby Junior College.

Another project was outlined but did not get off the ground. Originally students planned to tutor grade school students.

Students Learn About Medical Careers

The highlight of the year for FNC members was a trip to Great Bend to visit the Central Kansas Medical Center and Project Hope. They also helped collect funds for the Heart Fund Drive.

The first month of every school year is designated as recruiting month, when all interested students are welcome to join FNC.

Meetings have included a variety of things this year such as first aid films, Mr. Warren Townsend, counselor, speaking to FNC members on finances for nursing school. In addition, Julie Whitham reported on the duties of dieticians.

PEP CLUB

Girls Organize To Boost Spirit

Nearly a hundred girls organized again this year to boost the spirit of the athletic teams at Wichita County High School.

The Pep Club, composed of members and cheerleaders, made posters to decorate the halls before each games. During pep assemblies, the cheerleaders led cheers, held humorous skits, and introduced coaches and players.

During the year, the cheerleaders acted as hosts at the Leoti Invitational Basketball Tourney and again at the Class 2A Regional Tourney. Pep Club members also worked in the concession stand part of the year.

Cheerleaders were sweet in the 50's too!

ALL-SPORT CHEERLEADERS: BACK ROW (L-R)--Taryn Gerstberger, Peggy Sheets, and Kendall Whitham, MIDDLE ROW: (L-R)--Peggy Evans, Su Townsend, Rita Mills, FRONT ROW: (L-R)--Tana Lee, Terri Brewer, Margie Zellner.

WCHS CHEERLEADERS

"Our Task Is To CREATE Spirit"

The cheerleaders at WCHS have many tasks, but probably their most important job is to instill spirit within the student body and through them the teams.

In late spring the cheerleaders are chosen for the following school year. Fall sees these girls practicing nearly every night after school.

Before each game, the cheerleaders plan with the Pep Club the cheers, the banners and the skits that will be necessary to help bolster student body and team spirit.

Three Miss Spirit awards were given to the following girls: 1st Miss Sprit, Susan Zimbelman, 2nd, Candace Snowbarger, 3rd, Debbie Wewer.

FRESHMAN CHEERLEADERS: (L-R) Pam Fletcher, Dana Mills, Darla Dierks, and Kim Dierks.

W-CLUB

The Indians Pow-Wow

The W-Club which represents the Wichita County High School football, basketball, track, wrestling, cross-country and golf teams stands for the qualities of good sportsmanship that one looks for in all athletes.

They operated concessions part of the year as an additional project to support the athletic program at WCHS.

FOOTBALL

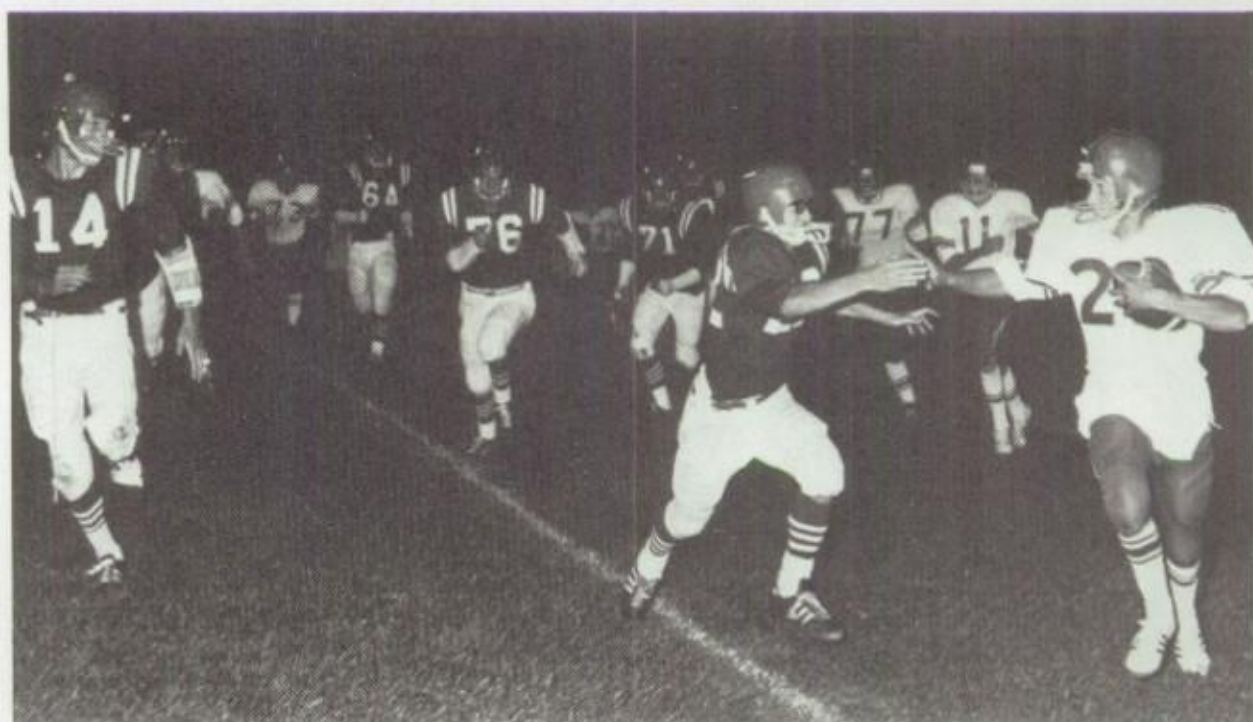

This Was A Season of Rebuilding

This year a new coach took over the reins of the football team. Mr. Mark Farring, With the assistance of Mr. Aschenbrenner, West and Towse, he began to build the foundations of a good team. Although the team record was 2-7-0, the individual team members had many personal victories. With the help of the Pep Club and many loyal fans, the long and difficult season was worth the sacrifices made.

Three of the team members were named to the WKEA All-League team as a result of their efforts. They were Greg Fletcher, Greg Brown and Gary Campas.

CROSS-COUNTRY TEAM

Team Works Hard to Compete

With much training, discipline, and determination, the cross-country team worked hard to make this year a fine one.

Team members ran distances of three to five miles every morning. Some mornings they had to run sprints. All this training was to prepare them for the two mile course that they ran their races over. This course is up hill and down hill. It is usually held on golf courses or pastures.

This season the team competed at Garden City, Scott City, and Dighton. Ron Bowman, a freshman, was a standout performer.

The team was coached by Mr. Marvin Towse.

a. Gary Krenzel, senior.

b. Marlon Towse, senior.

BASKETBALL

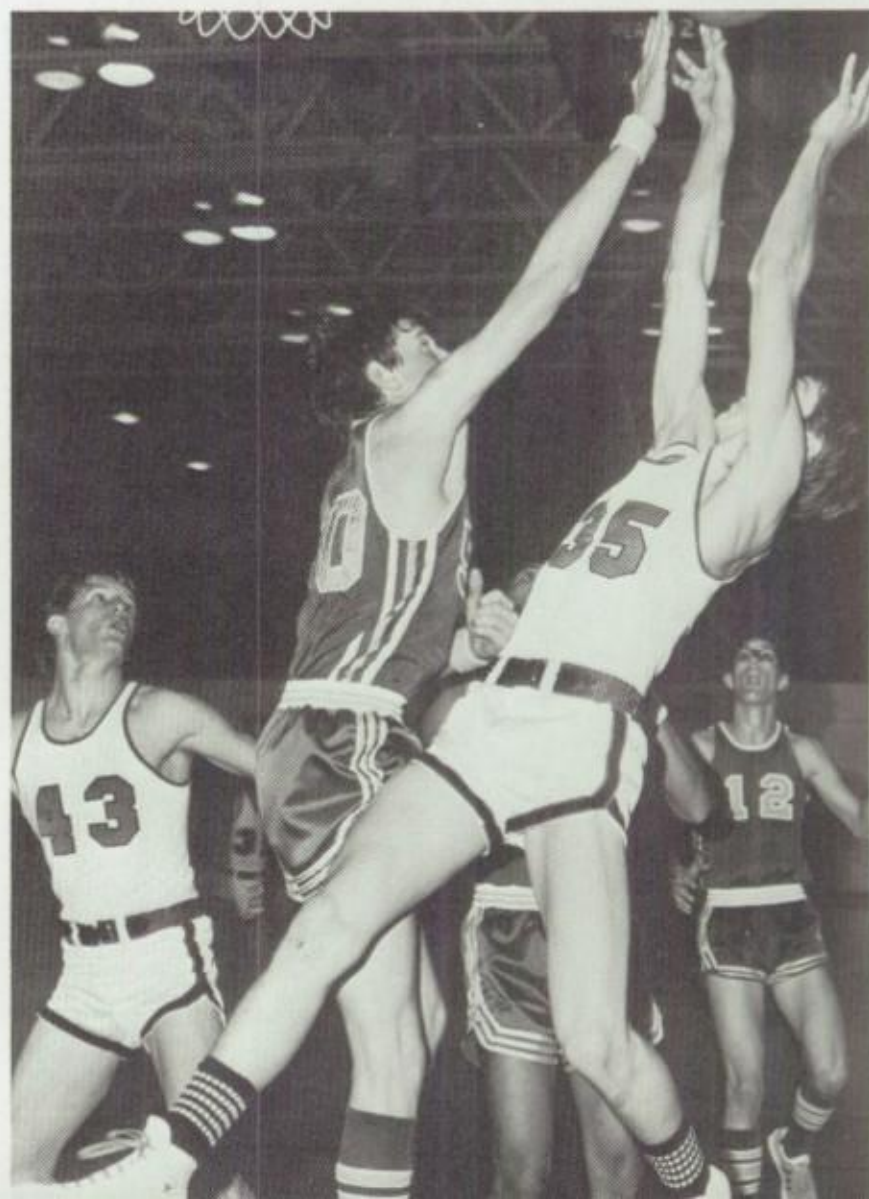

Indians Surprise Many.

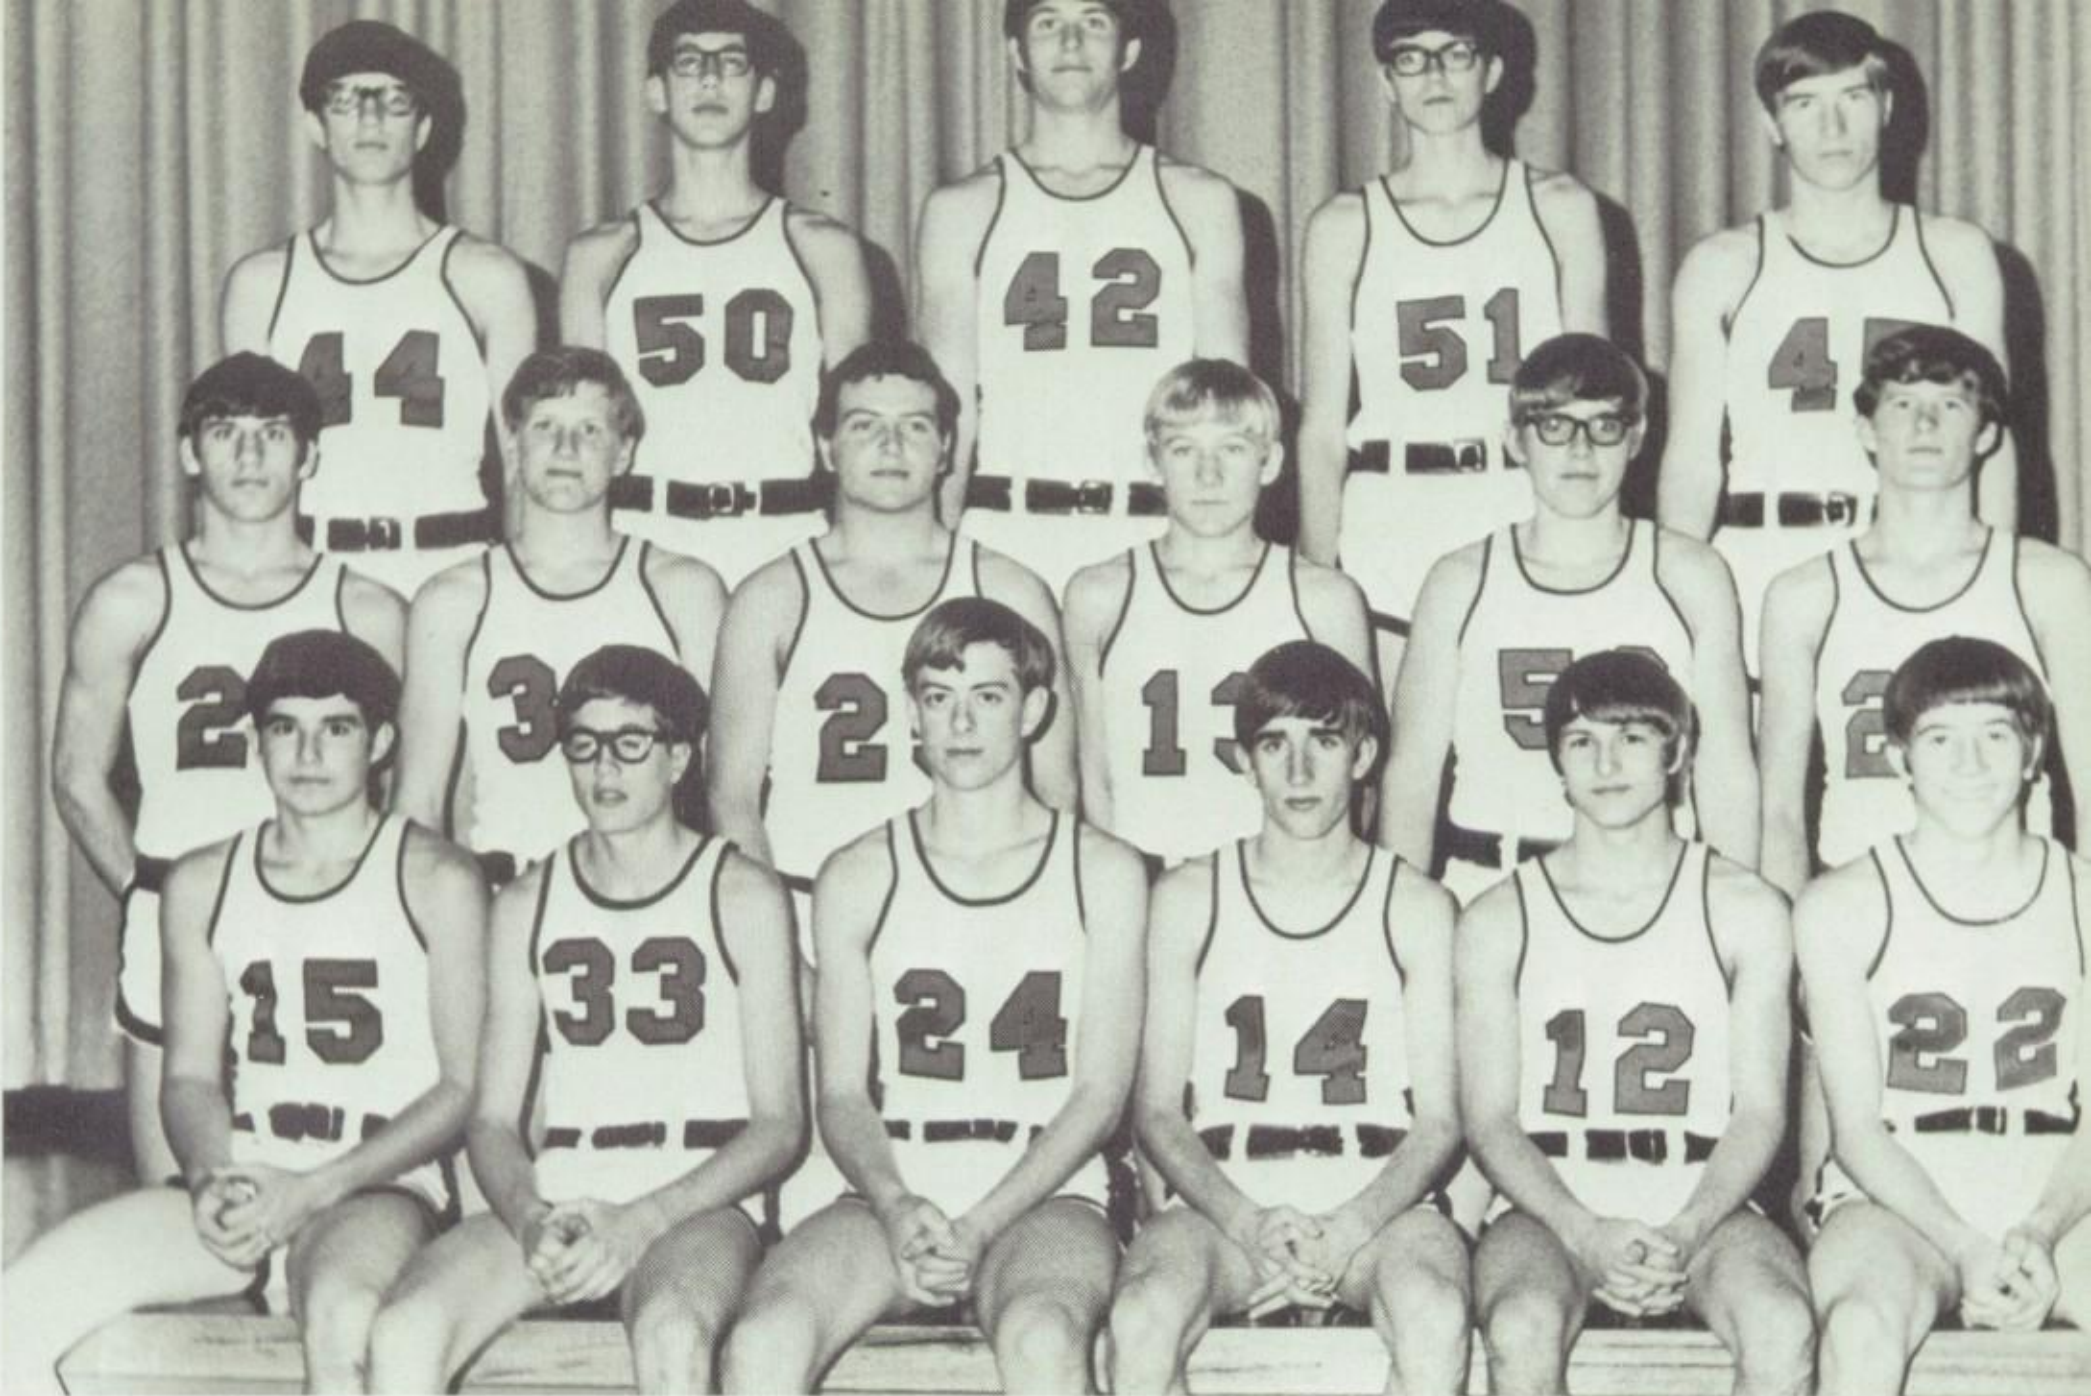

Fielding a team with no members over six foot tall, the Indians had to rely on speed and a zone press to confuse and defeat their opponents.

The Indians surprised many of their followers with a 12-9 record, and a tie for first place in the Western Division WKEA League playoff. In WKEA play, the Indians finished fourth over-all.

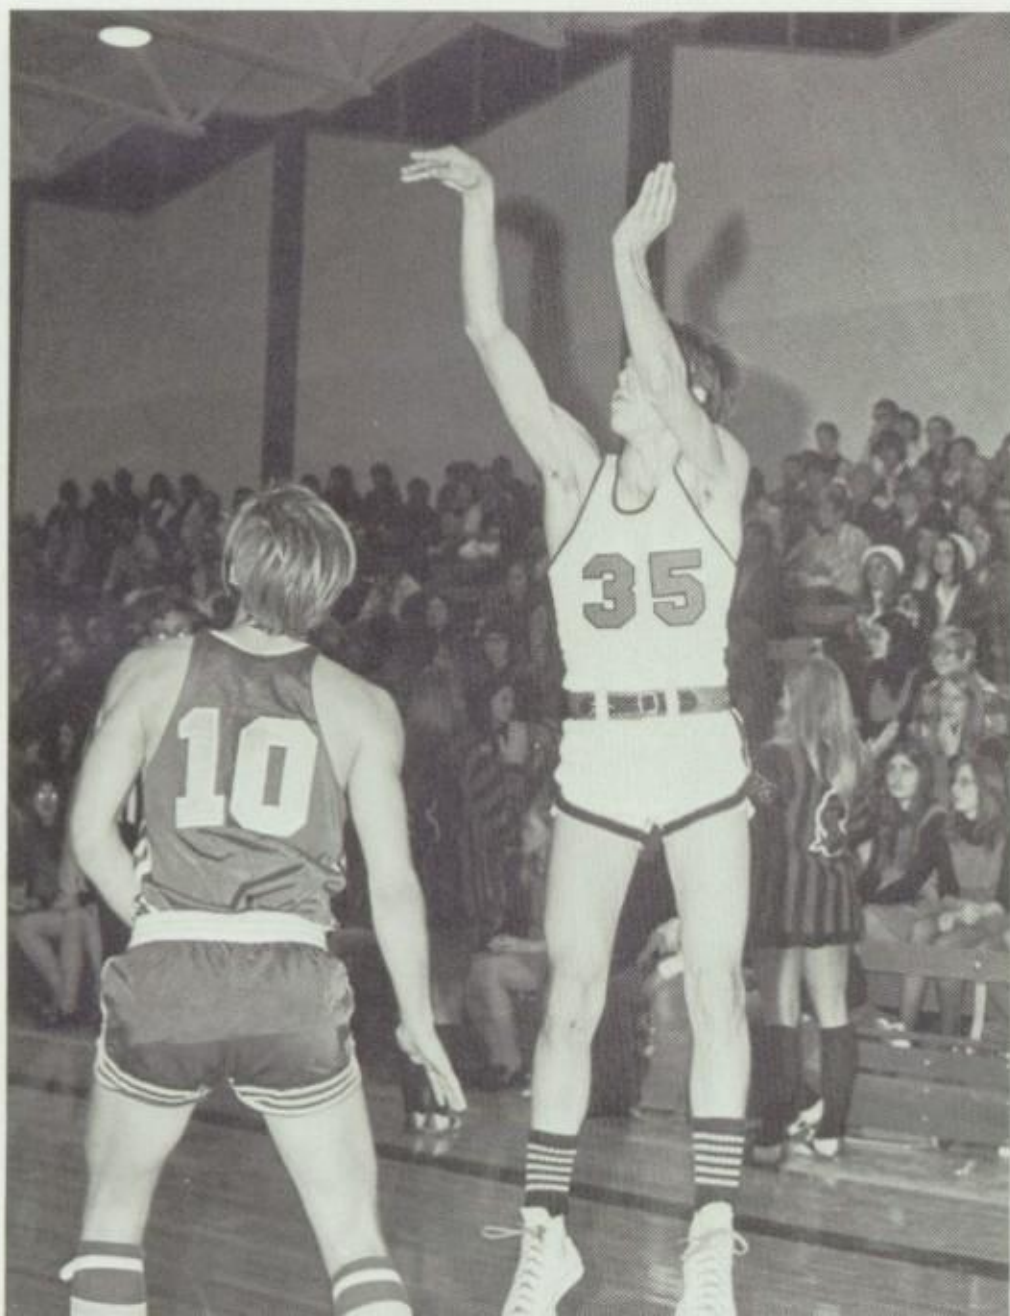

Two Indians, Gary Campas and Mike Weilert, were named to the WKEA All-League Team.

WRESTLING

Wrestlers Improve With Experience.

The WCHS wrestling team continued to show improvement under Coach Jon West as they qualified two wrestlers for state competition in the Regional Tourney at Hoxie.

Phillip Baker and Barth Whitham finished second and fourth in competition at the State Tourney at Oakley to give Leoti 13 points and eighth place in state competition in Class 2A schools. This was the first time Leoti has competed at the state level.

GOLF TEAM

Team Plagued By Rain

The golf team at WCHS found the going rough this spring as rain, snow, wind, and wet grounds made practice sessions and competitive play impossible.

Marlon Towse and Mike Lane sparkled in two man competition.

The team should profit by this year's experience. The loss of only two members should guarantee the return of an experienced team.

Girls Show Promise For Future

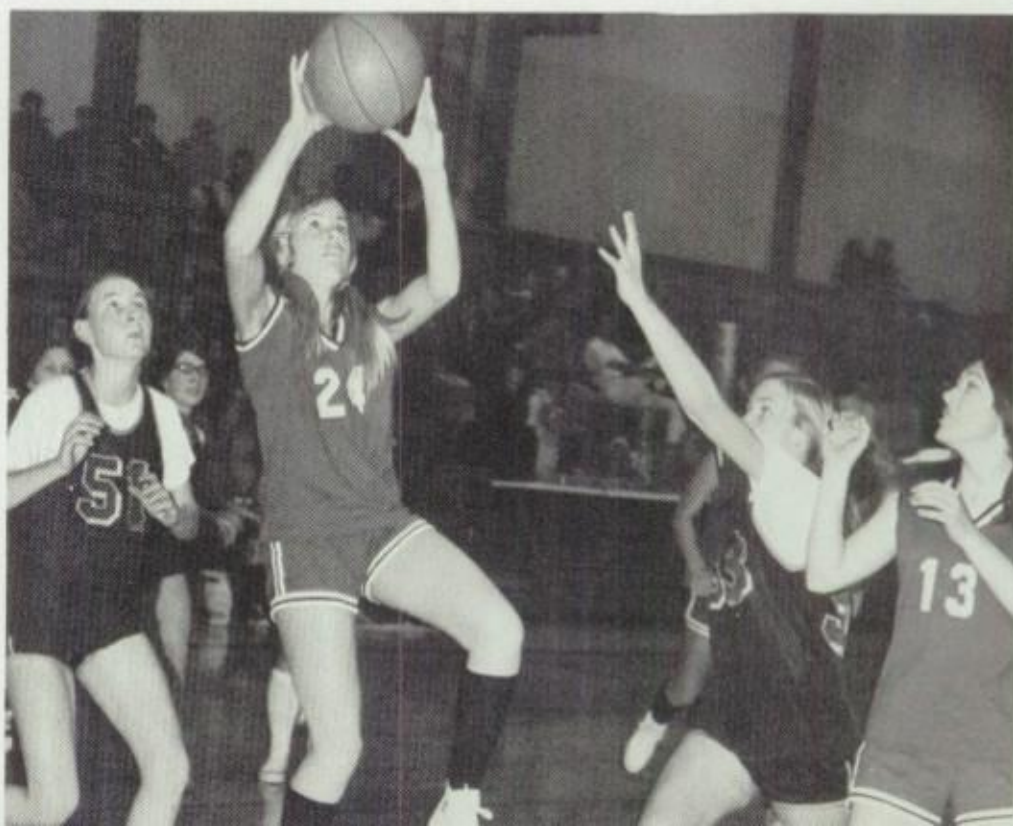

The girl's basketball team from WCHS sported new uniforms this year and built the foundation for a good future team.

The A team won one game and lost six, but the B team compiled a record of four victories and two defeats.

The varsity squad was eliminated in overtime play by a determined Satanta crew in Regional Tourney play at Lakin to end Indian hopes.
